Patriot Day Festival September 9th, 2023

Patriot Day Festival will be an all-inclusive, community wide gathering, providing a family fun day to bring service members & families stationed at Fort Leonard Wood together with our surrounding communities. This event will focus on patriotism, music, fellowship, and community, as we remember the tragic events which took place September 11th 2001. Our vision is to recognize service, sacrifice, and honor that we all hold dear, for love of country and community.

The Armed Services YMCA of Missouri is a nonprofit 501©(3) charity dedicated to youth development, healthy living, and social responsibility. At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. Our goal is to serve our community by offering free or low cost programs that help strengthen young families as they learn to cope with the unique challenges of military life. Our programs and facilities are always based on the distinct needs and interests of our community.

All proceeds will go to support service members and families in our local community.
