

The Armed Services YMCA of Missouri is a nonprofit 501(c)(3) charity dedicated to youth development, healthy living, and social responsibility. At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. Our goal is to serve our community by offering free or low cost programs that help strengthen young families as they learn to cope with the unique challenges of military life. Our programs and facilities are always based on the distinct needs and interests of our community.

Youth Basketball

Ages 5-17

Every year hundreds of young people participate in the Armed Services YMCA Youth Basketball League. The ASYMCA will be focusing on Leagues that are open to children ages 5 to 17 years old all over the community. We could not provide these programs without the support of local merchants. The success of the league shows in the number of participants and current inquiries regarding the program.

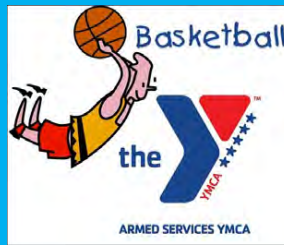

We are in the process of searching for new and renewing sponsors for the 2023-2024 Youth Basketball League. Some benefits of becoming a sponsor include your name on an entire team's t-shirts, recognition on signage at each game, and on the Armed Services YMCA website and social media.

Your sponsorship allows us to purchase insurance, equipment, t-shirts and first aid supplies. If you wish to sponsor a team, or two, please complete the enclosed sponsorship form and return it with your payment by September 30th, 2023. Sponsors, such as yourself, help the ASYMCA present a quality program that will help the youth develop not only in basketball but confidence and social skills.

Please consider being a team sponsor and help us continue to develop the leaders of tomorrow!
